Jo Miller is creator of the Women's Leadership Coaching system, a roadmap for women who want to break into leadership positions in business. Used successfully by thousands of women worldwide, the system identifies the key steps women must take to advance into positions of influence and leadership—especially in industries long considered "a man's world", such as technology, finance and energy. Ms. Miller is an internationally sought-after speaker for women's conferences, women's professional associations, and Fortune 1000 corporate women's initiatives. She was recently voted one of Silicon Valley's Women of Influence for 2008.
