General Comments

Very valuable class. I am inspired to achieve and emerge as a leader.

The presenter was engaging and utilized small group interaction

Best class at this conference.

Excellent tips, great audience involvement

Great workshop

Leadership attribute was interesting

Excellent and powerful.

Excellent speaker, great content, great variation in tone, engaging conversation.

Speaker is engaging, almost theatrical.

Very good session.

Great course. Liked the format. There was a lot of insight and experience exchanged.

Great workshop!

Really good session. Wow!

This was a very good course and I hope it will be offered again.

Quite practical!

I will try to arrange sessions for my organization (GM). Excellent!
